Efficient workers, when out of work, are sure to be persistent want advertisers. For that's a phase of their efficiency!  
\*\*\*\*\*

\*\*\*\*\*  
Stenographers who haven't learned the want ad way of getting positions wouldn't be quite "at home" in a modern office.  
\*\*\*\*\*

## PERSONAL

\*\*\*\*\*  
If "the moving season" leaves you without a tenant, a little want advertising will prevent the lapse from becoming serious.  
\*\*\*\*\*

ONE hundred visiting cards, the new linen finish, printed from the latest style type faces, \$1.00. At the Silver Belt office.

\*\*\*\*\*  
If you rent GOOD furnished rooms, want advertising will find good roomers for you. If they're not good roomers they ought not to be advertised—and, of course, will not be.

## LEGAL ADVERTISEMENTS

Council whose time is nearly at an end, but trust that our successors will give cremation of garbage early consideration.

We make no reference in this report to the City Water Plant, which was purchased and brought to its present state of efficiency by this Council, as that matter is fully covered by the report of the Public Utilities Committee submitted to you some time since.

We attach the Treasurer's statement hereto as a part of this report, and recommend that the same, with a summary of this report, be given to the papers for publication in order that the citizens may more fully appreciate what has been done by this Council in the way of providing the city with necessary property for the performance of its municipal functions, the city owning nothing two years ago when this Council assumed office.

Very respectfully submitted,  
PATRICK ROSE,  
J. P. McNEIL,  
Members of Finance Committee.
